

post electionpornflick (tbc)

1)
post pre-cum primaries
& leftest pedagogy

lustly anarchist gag

on geared up riot pig spray fascist badge boners shower faux gold over feverently
perved patriots

we need to burn some flags to put that fire out

2)

marches to be expected convenient freedom
of speech containers

in fact it never happened smoke the morning pill after street sweepers
pristine aborted reefers revolutionary nothings remain

might yet fertilise the grain if the soil don't rebel
kill us all first.
